

Positive Parenting Program

Is your child's behavior challenging?

The Positive Parenting Program has been proven to prevent and treat difficult behavioral, emotional and developmental problems in children. The key is teaching you, the parent, the knowledge, skills and confidence you need to promote positive behaviors and decrease conflict between you and your child.

Parents will learn to

- Develop safe and nurturing environments
- Promote positive, caring family relationships
- Develop effective, non-violent strategies for promoting children's positive development
- Deal with behavior problems and developmental issues
- Gain parenting confidence
- Reduce parenting stress
